Genesis 1:1 In the beginning, God created the heavens and the earth.

Issue: 2 September 15, 2023

Chapel Time...

We are going to be studying about Adam and Eve after they broke God's rules. We are going to be looking at them and their family after they left the Garden of Eden.

We also use this time to sing songs about God and His Bible.

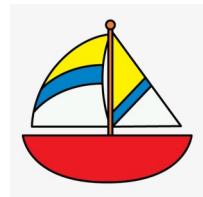

We are continuing to study our memory verse from Genesis 1:1, so it would be very helpful if you could go over this verse with your child.

Letter of the Week..

We will be working on the letter

"B"

You might want to go over some words that begin with the letter B.

Apple Unit...

We will continue our apple unit. We will make applesauce, finger-paint apples, measure ourselves in apples, and see how many seeds are in an apple. We are having fun as we learn about apples!

Thank You,
Ms. Sheila

Snack Helpers: Please bring a snack and drink (juice or milk) for 18 students. Thank you for your help!

Snack Helpers
 Monday, September 18th - Luke Young
 Wednesday, September 20th - Abby Goetz
 Friday, September 22nd - Lexie Pipik Birthday
